## SYDNEY SYMPHONY ORCHESTRA

Founded in 1932 by the Australian Broadcasting Commission, the Sydney Symphony Orchestra has evolved into one of the world's finest orchestras as Sydney has become one of the world's great cities. Resident at the iconic Sydney Opera House, the Sydney Symphony Orchestra also performs in venues throughout Sydney and regional New South Wales, and on international tours to Europe, Asia and the USA. The Sydney Symphony Orchestra's concerts encompass masterpieces from the classical repertoire, music by some of the finest living composers, and collaborations with guest artists from all genres, reflecting the Orchestra's versatility and diverse appeal. In 2022, Australia-born Simone Young commenced her role as Chief Conductor, a year in which the Orchestra made its return to the renewed Sydney Opera House Concert Hall.
